Dear Mr. Kelley:

Re: DOE/047/038, Asphalt Ridge Operating Company

Thank you for submitting another Declaration of Exemption.

For your information, the Utah Legislature changed the law recently providing for a five-acre or under Small Mining Operation category. Forms for this new category should be available in about six months, and if your operations fits this, I advise you to hold up on any further permitting work until they are available.

If we can be of any further assistance, please let us know.

Sincerely,

A handwritten signature in cursive script that reads "Frank Jensen".
